NEW CALL BELL SYSTEM

We are delighted to announce that Summerville Healthcare have installed a new call bell system into our nursing home.

In each room you will see a monitor (picture below) which is connected to a call bell button. The simple press of a button links residents and Care Assistants/ Nurses, connecting the right call to the right staff instantly.

We hope this new system will help continue to deliver the best possible resident care for all the residents at Summerville.

If residents or family members have any questions about this system please do not hesitate to ask a member of staff.

SAVE THE DATE

Our annual St. Patrick's Day Party will take place on
Thursday March 16th.

Kicking off at 2.30pm with Music from Paddy Kelly.

All family and Friends are welcome.

REFLECTION

Gratitude.

Thank you, Lord, that I can see; so many are blind.

Thank you, Lord, that I can hear; so many are deaf.

Thank you, Lord, that I can walk; so many are crippled.

Thank you, Lord, that I have food; so many are hungry.

Thank you, Lord, that I have shelter; so many are homeless.

Thank you, Lord, for the touch of a friendly hand; so many are lonely.

Thank you, Lord, for sharing your cross with me; it helps me to grow and discover who I am.

Thank you, Lord, for all your blessings; so many deserve them better than I do. Help me always to be grateful.

- Fr. Leo Henry.

Spring Closet Clearout

We kindly ask if Residents & their family members could please do a clothing clearout. Any heavy wintery clothes could be boxed away for a couple of months to make way for the Summer Sunshine ;) If any residents would like to donate any old clothes they do not need we will leave a donation box in the Library.

Remember, please mark any new clothing with the Residents Room number. Sarah in the office has a marker if anyone needs to use it.

REMEMBERING JOE

This year instead of our annual Kris Kindle among our staff members we donated to The North West Hospice in memory of our late DON, Joe Gilgan. We presented the cheque along with Joe's Sister Mary. Thank you to The Sligo Champion for the picture!

May he Rest in Peace

The first day of spring in the Southern Hemisphere is the first day of fall in the Northern Hemisphere

Cracking your knuckles does not actually hurt your bones or cause arthritis. The sound you hear is just gas bubbles bursting.

Children actually grow faster in the spring than during other times of the year.

You can use the inside of a banana peel to polish leather shoes and silverware and stop mosquito bites from itching!
